Dear Dot,

On behalf of President Blankenship and all of us at KSBA, I want to thank you for the outstanding regional meeting you hosted on October 6th in Northern Kentucky. It was very evident that your Gallatin County team, including Becky Carpenter had done an outstanding job of planning every aspect of the event. The Triple Crown Country Club proved to be a perfect setting.

I also thought Becky Burgett did a terrific job of hosting the meeting as well as moderating the panel of higher education representatives. It's always a little difficult to gauge the reaction of the audience but I heard several positive comments about the usefulness of the information. Although there are plenty of superintendents and board members who don't think higher education is doing their fair share when it comes to helping us prepare our students for college and career, I was impressed to hear about some of the strategies being used by the three Northern Kentucky colleges.

Thanks again for your support of KSBA and your dedication to the students of Gallatin County and the Commonwealth. I look forward to working with you.

Sincerely yours,

William G. Scott  
Executive Director
