Dear Commissioner Tackett:

We are struggling to have a boys' basketball team. We have 25 boys in high school. Six are out for basketball. We have two 7th graders, one 12, and one 13, making a total of 8 boys. We have no seniors. We intend to have a team and play, doing the best we can. We have 15 games scheduled with KHSAA schools. We would like to get permission to schedule Victory Road in Cumberland Kentucky and Wesley Christian in Allen, Kentucky. May we play them.

Thank you very much.

Sincerely in Sportsmanship,

John D. Wilson
