A COMMITMENT BETWEEN LAW ENFORCEMENT
AND EDUCATION AGENCIES TO IMPLEMENT D.A.R.E
(DRUG ABUSE RESISTANCE EDUCATION)

D.A.R.E. is a drug education prevention program developed by university researchers and taught by uniformed police officers.

The program has been highly successful. Its success is based upon the uniting of two of society's most influential entities: law enforcement and education. The success of the program requires that a mutual commitment be established between those agencies involved.

The signing of this agreement establishes the mutual commitment by police and school personnel to provide our children with the knowledge, attitudes and skills necessary to resist pressures to experiment with drugs, tobacco, and alcohol or participate in violent behavior or gang activity.

THE AGREEMENT

We, the undersigned, are committed to work together to provide the D.A.R.E. curricula to the children of our community. We have considered and agreed upon the issues we believe are important to establish a formal working relationship. The details of our agreement have been recorded. Both the law enforcement agency and the education agency have a copy of this agreement on file.

Welcome to the Drug Abuse Resistance Education (D.A.R.E.) Program. You are beginning an exciting nine-week program to help you resist pressures which may influence you to experiment with alcohol, tobacco, marijuana, inhalants, and other drugs. You will also be introduced to the D.A.R.E. Decision Making Model that will assist you in problem solving and help you make wise decisions.

In order to be eligible for participation in the D.A.R.E. culmination program and earn a certificate, you will be expected to:

- Complete your D.A.R.E. student workbook.
- Have good attendance.
- Demonstrate good behavior during class by following the D.A.R.E. rules.
- Keep your body free from drugs.
- Write a D.A.R.E. Report.
- Make a Pledge Statement to make wise decisions about alcohol, tobacco, and other drugs.

Parent/guardian participation is an important part of the D.A.R.E. curriculum. A parent meeting will be scheduled to provide further information. Upon completion of the D.A.R.E. curriculum, students will participate in a special culmination program. We look forward to the participation of parents/guardians in this special event. You will receive notification of the dates for both the parent meeting and culmination.

As your D.A.R.E. Officer, I am looking forward to being with you, your class, and being a part of your school community. Your teacher and I know that you will be a successful D.A.R.E. graduate and join the millions of other D.A.R.E. students around the world who have chosen to be drug-free.
