COME TO FRANKFORT TO SPEAK OUT FOR KIDS!

Governor Beshear and the Kentucky General Assembly will make critical budget decisions that will have a direct impact on local school districts. This year, more than ever, there could not be a more crucial time for local education leaders to come to Frankfort and lobby their legislators. Education and community leaders **CAN** make a difference. That's why KSBA is hosting **KIDS First Advocacy Conference & Lobbying Day**. It is *your* opportunity to speak out for the students of Kentucky's public schools.

- Learn from legislative leaders about important legislation and budget decisions facing the General Assembly.
- Visit with your legislators and influence education policy.
- Meet with high-level officials in the Beshear administration.
- Ensure that the influence of education leaders is felt in Frankfort!

IF YOU DON'T SPEAK OUT FOR OUR CHILDREN, WHO WILL?
