

## Kentucky High School Basketball Hall of Fame

### Showcase Event Proposal 2012

**Rationale:** The KHSBHF would organize and sponsor a preseason showcase event that would help kickoff the high school basketball season. The proceeds of the event would help fund the KHSBHF Foundation. The foundation's mission is to promote the true value of the sport through its "Essence of the Game" concept. The concept will utilize the positive attributes of those who the KHSBHF recognizes and honors.

**Proposal:** The showcase event would be held on the Friday and Saturday after Thanksgiving. There would be a girls' doubleheader on Friday and a boys' doubleheader on Saturday. A boys' and girls' team from Hardin County would be rotated as the host schools for the event. The teams will be selected by a KHSBHF committee and submitted to the KHSAA for approval on or before September 1<sup>st</sup> each year. The teams would be seeking a one game scheduling waiver for the upcoming season's schedule. All net proceeds would go to the KHSBHF Foundation and financial records forwarded to the KHSAA within 15 days of the event's conclusion.
