

REVISED 7-25-11

**FOOTBALL CLASSIFICATIONS
2012/13 – 2013/14**

TENTATIVE

The following is a list of Football Playing Schools that will be used for district alignments for the 2012/2013-2013/2014 school years. The classifications are based on the enrollment numbers your school submitted to the State Department of Education at the end of the 2010-11 school year. If you have questions about the classifications, please call the office. The new districts will be established at the OSSAA Board of Directors meeting in August. The following classification system is used for football:

Class 6A – Largest 32 football playing schools

Class 5A – Next largest 32 football playing schools

Class 4A – Next largest 32 football playing schools

Classes 3A, 2A & A – Each of these classes will consist of approximately one-third of the total number of the remaining 11-man football playing schools

Classes B & C – The smallest 76 Class A football playing schools that petition to play eight-man football. The largest 40 eight-man schools will make up Class B, the remaining 36 eight-man schools will make up Class C.

***These schools will participate in East districts for 2012-13/2013-14**
