Mr. Tackett,

Thank you for your hard work in helping Nelson County prepare for the split into two high schools this summer. After careful deliberation with the Superintendent, Athletic Director, and Head Football Coach, our request is for Nelson County High School to be placed in Class 4A starting in the 2012 season.

Sincerely,

Eric Gilpin

Principal

THOMAS NELSON HIGH SCHOOL

January 19th, 2012

Mr. Julian Tackett,

I am writing to express our desire to compete on the junior varsity football level for the 2012-2013 academic year. Based on an analysis of current player data, consultation from other districts, and our vision for the football program we have determined it in our best interest to compete at the junior varsity level in year one and not participate in district play. With that said, in the 2013-2014 academic year we intend to compete at the varsity level and would like to participate in district play.

I appreciate your support throughout this process and remain excited for the future of Thomas Nelson football. Please let me know how I can be of support in any future decision making processes. Thank you for your continued leadership at the KHSAA.

Sincerely,

Wes Bradley
