JCPS VISION

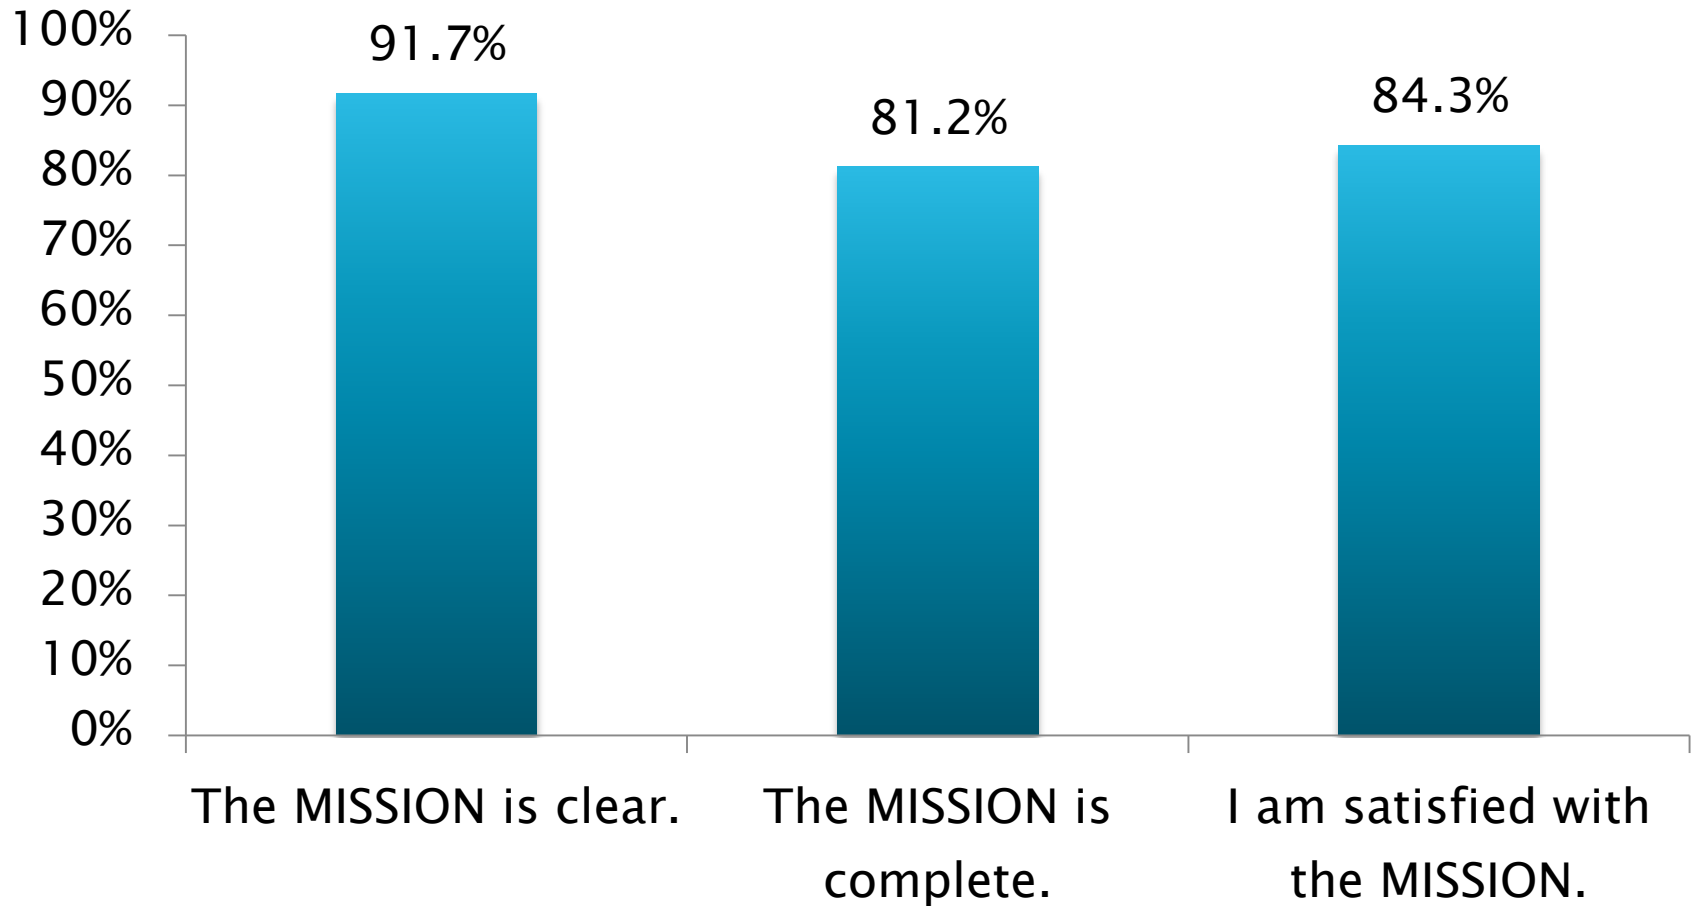

MISSION

(Why the organization exists, What function it performs, and for Whom it performs)

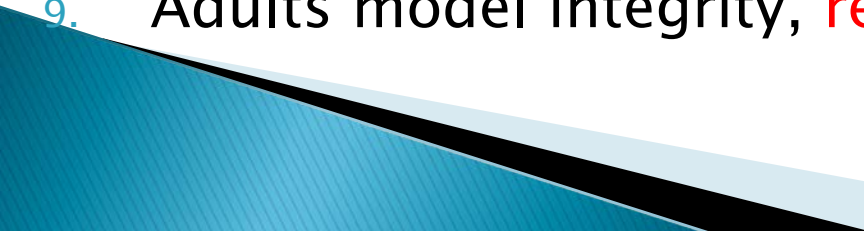

- ▶ To provide relevant, comprehensive, quality instruction to educate, prepare, and inspire our students to learn.

JCPS MISSION

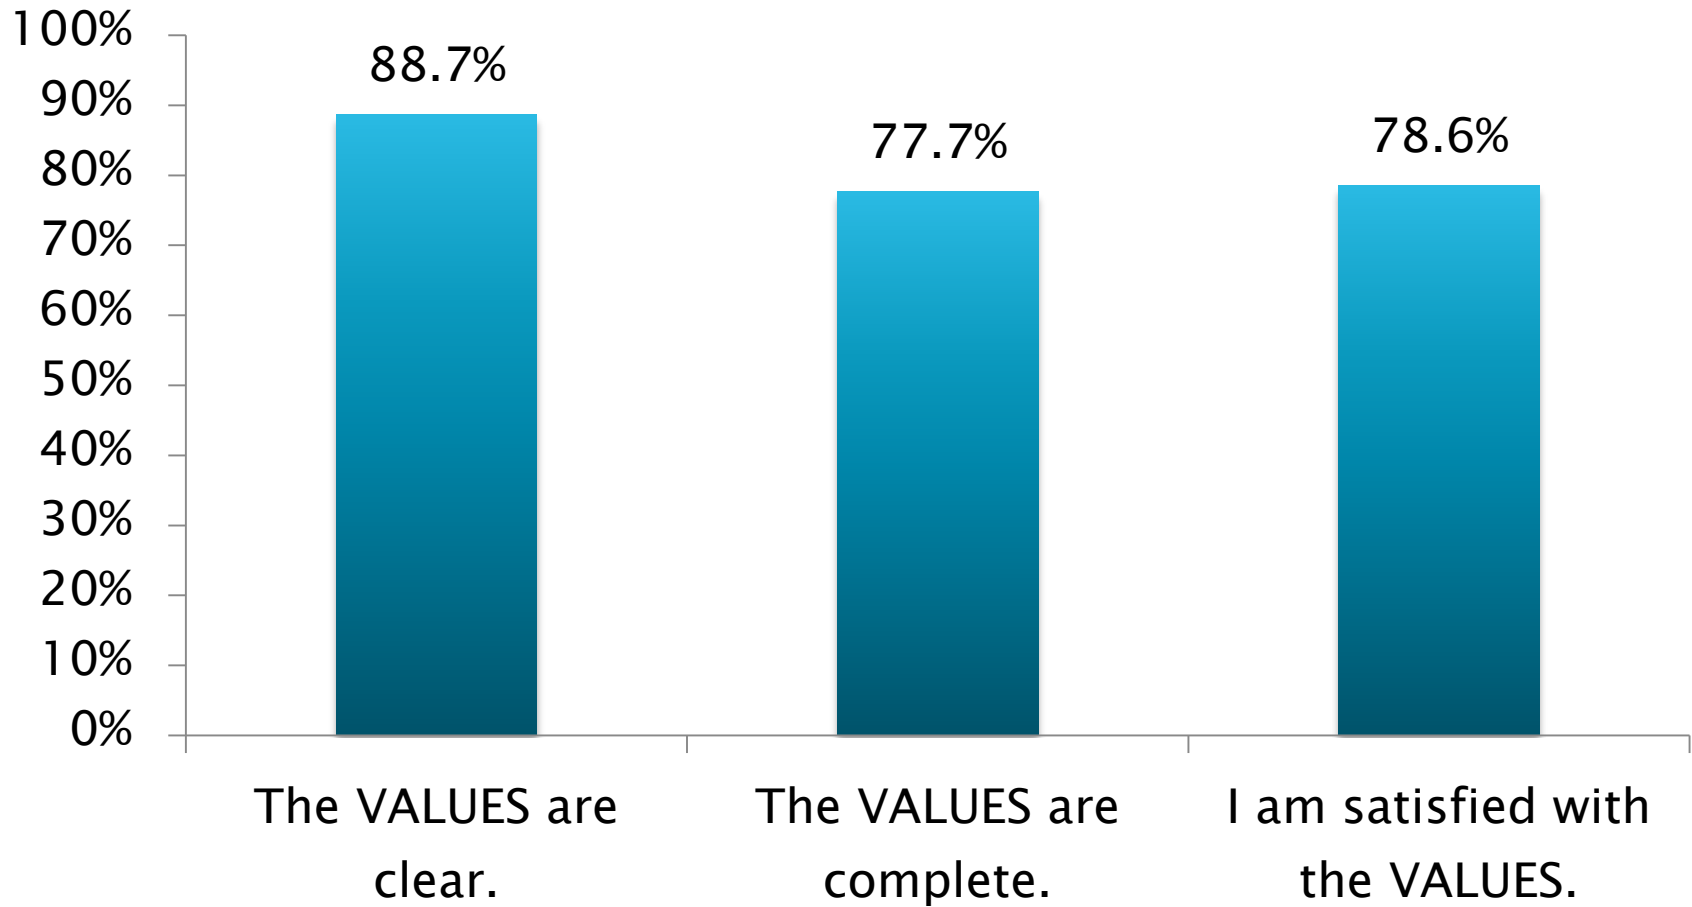

VALUES

(Deeply held driving forces for action and conduct)

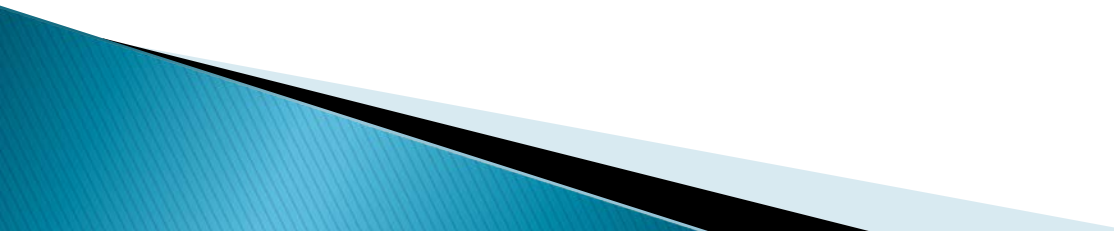

1. Our students are cared for and treated as if they are our own.
 2. Children learn differently.
 3. What happens in the classroom matters the most.
 4. The differences of each are assets.
 5. High quality teaching is the most powerful tool for helping students reach high standards.
 6. Leadership and innovation are essential to prepare students for their future.
 7. Talents and resources must be used wisely to benefit students.
 8. Partnerships among schools, families, and community are important for the health and well-being of our children.
 9. Adults model integrity, respect, creativity, and accountability.
