

Dec. 15, 2011

Mr. Hale:

I happily and regrettably inform you of my resignation as of January 02, 2012. I write happily because I will be leaving this job to become employed full time within my career field. As you are aware, I have anxiously desired the return to the equine industry for some time and this is an opportunity that I simply cannot pass by.

Regrettably, I have made many friends here and will miss them and their support. I don't think I have to tell you I will also miss bus #27. These years I have been with the district have been good; but it is time for me to move on and pursue my passion.

I thank you and Gallatin County School District for the opportunity to have served you in the capacity of school bus driver.

Thank you again,

*Carin Baute 12/15/11*
