Dear Parents/Guardians: This report card for the 2010-2011 school year contains important information about our school, including the details about our academic performance, teacher qualifications, learning environment, and more. For a more detailed look at our school, please go to <http://www.education.ky.gov> and select School Report Cards on the blue navigation bar to the left of the homepage.

About Our School: Gallatin County High School educates 500 students in grades 9-12 and we have 38 qualified certified teachers. Our goal is to build an atmosphere of a team where all members work for our students' individual achievement. Our mission is maximizing student learning and achievement. All of our professional staff members work to accomplish our goals, and everyone values students, parents, staff and community. Our curriculum is geared to prepare our students for post-secondary success and to be college and career ready. Our students are prepared to succeed and develop to their greatest potential.

How We Ensure Educational Equity: Staff and leadership work to specifically identify equity issues which relate to student learning. We currently utilize a collaborative setting in all classes. Instructional strategies and teaching methods are evaluated by the principal. The school council, department heads, instructional leadership team, and principal meet to discuss gaps in the educational process. Extended school services are provided through a daytime waiver. To ensure equity our school offers all courses open to all students regardless of gender, race, religion, or socio-economic background. We comply with all Title IX requirements.

NCLB Consequences (Title I)

- **School Improvement - Yr 1** (2 years not making AYP): Notify parents, implement school choice, and write or revise school plan.
- **School Improvement - Yr 2** (3 years not making AYP): Notify parents, continue school choice, revise school plan, and offer supplemental services.
- **Corrective Action - Yr 1** (4 years not making AYP): Notify parents, continue school choice, revise school plan, continue supplemental services, and implement corrective action.
- **Corrective Action - Yr 2** (5 years not making AYP): Notify parents, continue school choice, revise school plan, continue supplemental services, continue corrective action and write a plan for Alternative Governance.
- **Restructuring** (6 years not making AYP): Notify parents, continue school choice, revise school plan, continue supplemental services, continue corrective action and implement Alternative Governance Plan.

State Assistance (Non-Title I)

Senate Bill I, signed into law in March 2009, requires state accountability for Non-Title I schools. If a non-Title I school does not make AYP in the same content area for two consecutive years, the school will be eligible for state assistance. The description "Eligible for State Assistance" will appear in the Consequences, School Status column, followed by the number "1" or "2" indicating the number of years eligible.

How We Are Doing

Kentucky's Interim School Testing and Accountability System has three parts: the Kentucky Core Content Tests (KCCT); readiness tests by grade level; and other measures of a school's performance, including attendance, retention and dropout rates. This interim system will be replaced in the 2011-12 school year by a new testing and accountability system structured as required by statute. The goal is that, by 2014, nearly all students will score proficient or distinguished in every subject area tested.

PLAN TESTING: 10th grade students in Kentucky are being given the PLAN assessment from ACT, Inc. This assessment predicts attainment on the ACT assessment and suggests performance in college. These scores are reported as scale scores from 1 to 32. For further information on this test and the other components of the Educational Planning and Assessment System (EPAS) go to the KDE homepage (<http://www.education.ky.gov>) and select School Report Card from the blue navigation bar.

School Safety: Here is what we are doing to make our school safe for our students.

Our Learning Environment

Visitors are Required to Sign in	All Parents Received the District Discipline Code	% Classrooms with Outside Line
Y	Y	100%

Procedures in Place In Our School for Drug and Weapons Detection:

The district employs a School Resource Officer and the school is in regular contact with local and state police agencies that will provide drug and bomb canines to the school. Random locker checks are in place. Staff is trained to be aware of suspicious activities and school administrators have metal detectors to use if a weapon is suspected. All administrators have two way radios and all principals carry a cell phone. All doors are kept locked and visitors must ring bell and sign in at office. There is a camera/recording system in place.

District	\$10,265	18.0:1	99.5%	2.4:1
State	\$10,864	16.0:1	77.4%	2.4:1

How We Use Technology To Teach:

Every classroom has one or more computers. Every classroom has an LCD projector and five classrooms have a smart board. Every teacher and classroom has an electronic notebook. All teachers are trained in technology. Technology is integrated by individual teachers in the classroom. Students regularly use technology to present.

ACT Testing: The ACT is America's most widely accepted college entrance exam. It assesses high school students' general educational development and their ability to complete college-level work. The multiple-choice tests cover four skill areas: English, mathematics, reading, and science. All Kentucky Juniors are required to take the ACT. The chart below shows both 11th grade and graduating Senior ACT scores.
