

The Special Education Department requests approval for three staff members and approximately six students to travel to Paducah in a Board vehicle on February 23, returning on Friday, February 24. Back-up dates in the event of winter weather are March 22nd and 23rd. To Whom It May Concern:

It is time again for the Kentucky HOSA, Health Occupations Students of America, State Leadership Conference. As always, the conference will be held in Louisville, KY at the Crowne Plaza Hotel. The students will be leaving on Wednesday, March 7, 2012 at 3:30 pm from HCHS and return on Saturday, March 10, 2012 around noon.

Overnight accommodations have been made at the Crowne Plaza Hotel. The majority of the events will be held at the hotel. However, two of the events that we have students participating in will be held at alternate sites. These sites have not yet been announced, but are usually at local health care facilities or educational institutions. The students are required by HOSA to use the provided transportation to the alternate sites.

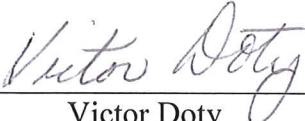

This year thirty-one students have chosen to participate in one or more of the HOSA competitive events.

Thank you for considering our overnight school trip. The HOSA students at HCHS pride themselves on participating in the HOSA State Leadership Conference every year.

Sincerely,
