

## POST-SEASON PROPOSAL (STARTING WITH 2012 SEASON)

*This is after Regional Champions are determined.*

### Sample Schedule:

#### Week 1:

Odd regions host round of 16 with even Regions being blind drawn into those matches (this would change the following year where even regions would host and odd regions would blind draw). West division would consist of Regions 1-8 and East division would consist of Regions 9-16. First round games would be played on either, Tuesday, Wednesday or Thursday night.

*All eight winners will then meet at one location on the following Saturday (example: Woodford Co., Dunbar, Centre College, Ky. Wesleyan any place that has turf). Boys and girls will be at separate locations. Matchups are determined by blind draw. With this 2<sup>nd</sup> blind draw East/West divisions are no longer taken into consideration. This would be considered an "Elite 8". Times for matches (example: 12pm/2:30pm/5pm/7:30pm).*

#### Week 2 (Normal Final Four format):

Wed/Thurs: Final Four - Dunbar High School

Sat: Championship - Dunbar High School
