Board of Control:

This letter is to request a waiver of the dead period for Todd Reynolds, head boy's golf coach at Lafayette High School in Lexington, KY.

William Sallee, a member of the boy's golf team at Lafayette High School, is applying to receive an invite from the First Tee program to compete in the Nature Valley First Tee Open at Pebble Beach July 6-8. Each year the First Tee invites 78 junior golfers from across the country to play alongside 78 Champions Tour players. Last year Ben Davis from Sayre School was invited. The year prior, Will Bishop from Paul Laurence Dunbar along with Daniel Deluca from Lexington Catholic was asked to attend the tournament.

Although the selection for this year's participants has not taken place, once the players are selected the process to set up travel arrangements and transportation must be taken care of in a timely manner. The First Tee takes care of all costs associated with the event and in no way is Lafayette High School, nor the boy's golf booster club responsible for any of the expenses. Also, in no way is Lafayette High School affiliated or responsible for any activities associated with the tournament.

The reason I am requesting a waiver is because parents are not allowed to caddie for their sons or daughters during the tournament. William has done me the proud honor of inviting me to caddie for him if he were selected for this prestigious opportunity. I would ask the board to grant this request due to the nature of the event and that in no way does attending this tournament violate the spirit of Bylaw 26.

I thank you in advance for your time and consideration of this matter.

Sincerely,

Todd Reynolds
