Owensboro Daviness County	Equipment and Supplies	A disparity exists between the boys and girls locker rooms and storage areas at the site where they play basketball.	Rearrangement of existing space must be completed to more equitably share existing space. School is to report by April 15, 2006 of their plans for improvement.		2	
	Equipment and Supplies	Disparities exist between the funds spent on boys baseball and basketball as compared to what is spent on girls softball and basketball.	The Gender Equity Committee needs to meet and analyze the overall needs of all sports and devise a plan to more equitably address and allot necessary funding to allow comparable benefits between both genders. The school must provide intended plans by April 15, 2006.		2	
	Locker Rooms, Practice and Competitive Facilities	There are noticeable differences between the schools' contributions and involvement in baseball and their lack of involvement in softball. These disparities have been noted for five years.	The school must provide, by April 15, 2006 detailed plans and pictures of the progress being made to overcome the inequities between softball and baseball.		3	
	Support Services	There was no record of previous Gender Equity Committee meetings on file at the school.	The school is directed to meet in Oct., Jan., and April of school years 2006-07 and 2007-08. Minutes of those meetings are to be provided to the KHSAA within ten days of the meeting.			
Providence Providence	Support Services	No permanent Title IX File.	Gender Equity Committee is to put together a permanent Title IX File and place in AD, Principal and Superintendent office.		2	KHSAA has provided on 2/20/06 Providence High School with a copy of all documents found in the schools' Master Title IX file contained at the KHSAA office.
