RE: Henderson County Schools
Cairo Elementary School Chiller Replacement
RBS Y12017

Dear Mr. Spencer,

At the direction of the Kentucky Department of Education, Division of Facilities Management, RBS Design Group (RBS) contacted three mechanical contractors to submit proposals for replacement of the chiller at Cairo Elementary School. We received proposals from two of the three contractors:

Mechanical Consultants, Inc., Owensboro, KY - \$130,170.00
Hagerman Plumbing & Heating, Owensboro, KY - \$136,740.00

It is our recommendation that the contract be awarded to Mechanical Consultants, Inc., in the amount of \$130,170.00. This cost is within 10% of the \$120,000.00 construction cost listed on the BG-1.

If you have any questions, please don't hesitate to contact our office.

Sincerely,

RBS DESIGN GROUP, P.S.C.
