

PR # 16 – Door and Building Security - \$15,911.00

- This was already discuss and approved by the Board; however, the price presented was \$14,461. Since this time, the contractor brought to my attention that on his quote he had a breakout price of \$1,450 to add the gym motion sensors and contacts. I don't know why he broke this out but it was missed in the number presented.

PR # 19 – Relocate existing hand dryers and add quieter ones at the new gang restrooms \$2,027.61

PR # 20 – Sidewalk and grading in the courtyard area connecting the gym to Phase IV classroom wing. - \$4,209.33

PR # 21 – Re-locate the light pole outside the Cafeteria per Owner's request - \$4,313.24 plus asphalt patching

PR # 22 – Phase III Sidewalks at the front of the building. This provides a large bus drop off area and connects the different phases of the building with sidewalks. - \$19,053.90

PR # 23 – Additional stage data outlets per Owner's request - \$2,115.00

SCO # 23 – Additional fencing around Mechanical units at the Cafeteria - \$3,999.00

SCO # 21 – Paint drywall header in the Cafeteria that was added - \$557.52

SCO # 25 – Tilt Kettle Change from tilt kettle requested to be bid by contractor to a model that the Owner – Deduct (\$154.00)

SCO # 26 – Provide a different 3 compartment sink with the sink sizes preferred by the Owner - \$8,491.00

SCO # 27 – Add Serving line lights per Owner's request- \$3,444.00

Arnold's Engineering – Additional testing services unsuitable soils found in parking lots of both schools. - \$760.00

E-town Preschool

PR # 26 – Remove an existing wall at the existing building to make one large room – Approved to perform T & M.

PR # 27 – Re-locate proposed location of light fixture to place outside the paving area. - \$554.79.

PR # 28 – Add lighting to existing school signs - \$11,661.09

PR # 30 – New fixtures, partitions, and accessories for the existing restrooms - \$25,001.37

Additional overlay and remediation of existing parking lots at the E-town Preschool – We received a price; however, Alliance needs to review the scope of work more thoroughly with the contractor before presenting for approval. We will send out the price prior to the meeting for your review. This will be a very sizable change order but at least a portion of this will definitely need to be done.
