Dear Ms. Perkins:

Thank you for allowing me to visit a couple of your schools while I was in your school district for the Operation Preparation Event at the Gallatin County High School. I thoroughly enjoyed my time meeting with your students and advising them on their future college and career plans.

I also enjoyed visiting with your elementary and middle school. It is obvious that your leadership in Gallatin County is having a tremendous impact. The focus on the individual student needs and the implementation of the Common Core Standards was most obvious.

I appreciate your local and statewide leadership and look forward to working with you over the coming years to help all students in Gallatin County and Kentucky be successful.

Please do not hesitate to contact me if the department can be of assistance in the future.

Sincerely,

Terry Holliday, Ph.D.
