

South Middle and Henderson County High Student Travel Educational Program

To: Dr. Richey

From: Mac Grace Chair of S.T.E.P.

We would like permission from the Henderson County Board of Education to take one trip during the 2012-13 school year to Washington DC. For the Presidential inauguration. We want to leave January 16 and return January 22. Educational points of interest will include but not be limited to the Inauguration of the President, U.S. Bureau of Printing and Engraving, Washington National Cathedral, Holocaust Museum, US Capital, Smithsonian Institute of Natural History, Air and Space, American History, and Arlington Cemetery (Changing of the Guard at the Tomb of the Unknown Soldier), Mount Vernon (Home of George Washington), Kennedy Center for the Performing Arts, National Archives, and a night tour of all the monuments.

The trip will be by charter bus and we feel it is a once in a lifetime opportunity for the students and is very educational in nature and would greatly benefit the Henderson County School System.

Sincerely submitted

Mac Grace, STEP Chair.

Ryan Reusch, Principal SMS

HENDERSON COUNTY HIGH SCHOOL
CAREER AND TECHNICAL EDUCATION DEPARTMENT

May 1, 2012

To Whom It May Concern:

The Henderson County Career and Technical Education Department is requesting permission to have an annual field trip to honor all the career ready students. The place would be to Holiday World & Splashin Safari in May every year, starting during the 2012-13 school year. The date will be determined by when the park will actually open each year. The staff feels that this celebration will be not only deserving of the students who accomplished their career goals, but will also provide motivation for students to want to do well on the assessments. The CTE department has plans to fundraise, as a whole, to raise the money needed. Please add this to the June board meeting for approval.

Thank you,

A handwritten signature in black ink that reads "Victor Doty". The signature is written in a cursive, flowing style.

Victor Doty
Director of CTE
