

Fund Raising Activity: Senior Tradition of Painting Parking Spaces

Purpose: Raise money for Rewards Program / Begin a senior tradition

Supervisors: B.J. Henry / Dawne Swank

This fundraiser is an attempt to raise money and begin a new tradition, for seniors only, of painting select parking spaces at the beginning of the school year. Roughly, 50 parking spaces would be designated to seniors who chose to purchase these parking spots. This parking space would be assigned to the student who purchased said space. Approximately half of the parking lot by the gym is regularly used by the band. This portion of the lot would not be painted. However, the remaining side would be designated for painting. Rows 2 and 3 in the front parking lot would be assigned as senior space.

Students would be allowed to purchase a parking space to paint for approximately \$20-25. Each student would be required to submit a detailed sketch or design of his/her parking space. Each design would be required to be preapproved by administration; inappropriate content and/or innuendos would not be allowed.

Paintbrushes, rollers, and paint supplies would be provided by EHS. However, the student will provide his/her own paint. A Saturday in August/September would be designated "paint" day. At the end of each year, various clubs, for the next senior class, will repaint the stripes / lines of the parking spots.
