RE: Fuel and Propane Bid Approval for 2012-2013 school year
Date: June 25, 2012

Attached are copies of the bids received for propane, diesel fuel, bulk oil, and gasoline.

I recommend that the Board of Education accept the bid from Southern Petroleum Inc., Dennis Boaz, agent, for diesel fuel, gasoline, and bulk oil.

I also recommend the Board of Education accept the bid from Ferrellgas, agent Sidney Gullion, for propane gas.

As a matter of reference we will pay a 14 cent differential for diesel fuel (up one cent over last year) a 14 cent differential for gasoline this year which is the same as last year. Bulk Oil will cost \$787.50 for a 55 gallon drum.

Our propane bid is \$1.65 per gallon (-24 cents over last yr).

Based on the Bids received, the Gallatin County Board of Education awards the Propane Bid to Ferrellgas (only bidder) for \$1.65⁹ and to Southern Petroleum Inc. for fuel and transportation fluids as listed above to run from July 1, 2012 through June 30, 2013.
