To Whom It May Concern:

Please consider this letter as official notice of my resignation from DILT. Due to my pregnancy and upcoming leave of absence, I feel it would be best if someone else take my position.

Thank you for the opportunity allowing me to serve over the past few years. I feel it has enhanced my professional goals with many new learning opportunities.

Sincerely,

A handwritten signature in black ink that reads "Kaycee Thompson". The signature is written in a cursive, flowing style.
