

May 17, 2012

Ms Perkins,

I would like to inform you that I have chosen to not return for the 2012-2013 school year.

I have decided to take an early retirement, due to family matters and my own medical problems.

I would, like however, to come back after the ninety (90) mandatory days an employee must take when they choose to retire. I would sub in any capacity that you wish to use me in.

I have always appreciated working with and for you, you are a great "BOSS".

I also want to tell you one more time how much I appreciated your understanding of my family and my own illness and their subsequent deaths, it was truly a wonderful, caring and generous gesture on your part and I thank you.

My last day to work will be May 23, 2012.
Thank you again.

Sincerely,
Nikki Kristson
