## MEMORANDUM

TO: Mr. Gary French, Superintendent *JS*

FROM: Debbie Curry, Director of Special Programs *DC*

RE: Approval of Contract with Hardin County to serve a Hearing Impaired Student

DATE: June 8, 2011

As the needs of the students change throughout the school district, so do the services required. We have recently had a student with a hearing impairment move into the district. The student has an existing IEP which states that the student requires an interpreter for the entire instructional day as well as a teacher certified in Deaf Education for three hours daily. Because the school district does not currently have these services and due to the difficulty in attaining a teacher with these credentials on a part time basis, Hardin County has agreed to contract with neighboring school districts to extend these services according to the contractual agreement attached.

It is my recommendation that the Board approve the Contract with Hardin County to serve the student with a Hearing Impairment.

Thank you for your continued support.
