I am going to apply for the Facility Giving Program through Walmart.com. I am going to ask for \$2500 to purchase 5 iPads for my classroom. These will be used for increasing literacy in the classroom through writing and reading activities, such as blogging, using wikis for writing, and apps to increase interest in reading/student choice/literacy games.

This is just to apply for a grant - there is no guarantee my request will be approved or chosen. Here is a link to the page:

Thanks!

Just send me a brief explanation requesting BOE approval. Just state the amount of the grant, what it will be used for, etc.

Becky,

Hi! I want to apply for a grant through Walmart but know I need board approval. Can you tell me how I go about this or where to find the paperwork for putting in my request? I've also emailed Mr. Bieger but he is on vacation until July 2.

Thanks!
