Gifted and Talented and Community Education would like to apply for the "TranspARTation Grant".

TranspARTation is a bus subsidy grant that aids schools in paying for field trips to approved arts organizations. The grant amount is based on mileage from your school to the organization and the minimum is \$100. The next deadline is **September 1, 2012** for field trips from October-December of this school year. There are 4 deadlines a year.

Below you will find the link with more information.
