Re: September School Board Meeting

Dear Gary:

Sherman Carter Barnhart will be present at the board meeting on Thursday, September 20, 2012, at which time we will be reporting on the status of the following projects nearing project closeout.

Renovation to Radcliff Elementary – Phase 3

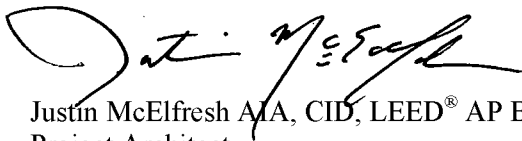

Sherman Carter Barnhart has scheduled a conference call with Morel Construction and Hardin County Schools for September 13th at 9 am to discuss the remaining flooring issues. Project closeout documents will be submitted for board approval upon satisfactory correction of these issues by the Contractor.

North Middle School

To date, Alliance Corporation has addressed all remaining items with the exception of establishing grass growth along the main entrance road to the school and the removal of existing staking around trees that were planted during construction. Sherman Carter Barnhart has contacted Alliance and has been assured that the seeding and the removal of these stakes will occur within the next two weeks.

If you have any questions, please feel free to contact me.

Sincerely,

Justin McElfresh AIA, CID, LEED® AP BD+C
Project Architect
