Ms Perkins we're having a middle school football cookout on Saturday September 29th 6 p.m. at the Gallatin County Fairgrounds all the food and trophies for the boys have been donated by the parents.

everyone on the team is getting a t shirt which is being purchased from funds from D 9 it is a middle school football fundraiser account .

I apologize that I did not submit this to the board coach Jones lead me to believe that if it was parent donated I didn't have to get board approval.

if you need anything else please just email me thank you .
