

Take the Online Pledge Against Bullying

The theme for this year's Kentucky Safe Schools Week (October 21-27) is

"BULLYING: Be a Part of the Cure." Emphasis is placed on how each individual student and staff member can be empowered to become part of the "cure" and stop bullying in their school by helping to create a healthy, safe learning environment. Here's how you can help:

Step 1: Take the Online Pledge Against Bullying at: www.kysafeschools.org/bullycure

Step 2: Print your Online Pledge Certificate to confirm that you took the Pledge Against Bullying

Step 3: Encourage others, including fellow teachers, students, parents and community members to take the Online Pledge Against Bullying
