August 23, 2012

Dear Commissioner Tackett,

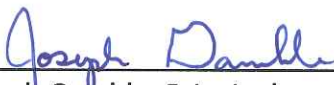

On behalf of all the students, student-athletes, faculty, and staff of Morgan County High School, we offer our very sincere thanks for thinking of us as we continue our community and school recovery process from the devastating tornadoes of Feb. 29th and particularly March 2nd. As a county school district, we had more than 100 students who were directly impacted by these storms. Additionally, as you are probably aware, in the March 2nd tornado we completely lost all of our football and tennis facilities.

The shipment of shirts, supplies, and extra equipment was beyond generous. It was such a nice surprise to receive so many items as we are still in the process of replacing facilities and equipment for our athletic programs. We have been able to share all of the items with not only our sports programs, but with our entire student body. The spirit of the KHSAA is alive and well in Morgan County.

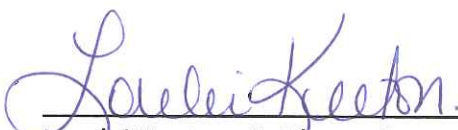

We are happy to report that we hosted our first football scrimmage at Herdman Field this past Friday with a wonderful turnout of Cougar Spirit! It was wonderful to take part in something that used to be considered part of our "normal" life in Morgan County. On Friday, August 31st we will be having a re-dedication of Herdman Field as we host Estill Co. in our first official game of the season. This weekend our MCHS Tennis Team will be able to once again host their annual Cougar Tennis Classic as the repairs to our tennis facility are nearing completion.

Please express our thanks and gratitude to your entire Board of Control and staff at the KHSAA.

Sincerely,

Joseph Gamble, Principal

Lorelei Keeton, Guidance Counselor
