To Whom this Concerns:

I am asking permission for my son Ethan J. Sisco to remain at North Todd Elementary for the school year 2012-2013. He attends Ms. Ashley Borders Pre-K classroom and wishes to stay in the classroom with her and classmates. I've already made a big change by moving to another home 365 Pembroke Fairview Rd and would hate to change that as well. He has a bus stop in Fairview at Mrs. Jennifer's Daycare. He hasn't missed a single day and loves it there. Please allow Ethan to stay at North Todd.

Dear Principal,

We are currently unable to change residences because we have a contract (lease) that is in effect through December. We will look for a home closer to school (in the South Todd zone) so that the bus can pick up the children in the mornings and afternoons. We ask that the bus continue to pick up our children here at our current residence (and that our daughters be allowed to attend South Todd) while we are here.

Thank you very much, the girls parents,

Maria Gallegos and Humberto Cruz
