New Standard Test Scores for Henderson County Schools

Kentucky Performance Rating for Educational Progress (K-PREP)

From the onset, we knew we were entering into a rigorous curriculum and assessment system. While three of our schools made the transition rather seamlessly by scoring proficient, the remaining schools are designated needs improvement from scores ranking in the 18th percentile to the 63rd percentile.

Our district goal remains the same: to have all students college and/or career ready and to have all our schools proficient or distinguished. In order to reach the proficient mark (70th percentile) or the distinguished mark (90th percentile) we have identified the following:

STEPS FOR IMPROVEMENT

1. Increase the levels of rigor and fidelity in instructional practices and instructional leadership;
2. Implement a refined process of analyzing student work;
3. Have data talks with all principals and on-going monitoring;
4. Learn from Cairo Elementary, East Heights Elementary, and Spottsville Elementary;
5. Create and implement effective common formative assessments;
6. Continue parent partnerships through Superintendent Parent Advisory Roundtable, Commonwealth Institute for Parent Leadership (CIPL) training, projects, and involvement, and school and district content specific parent meetings;
7. Increase instructional rounds to bi-monthly visits with Bend Gate Elementary, Central Academy, Jefferson Elementary, North Middle School, and South Heights Elementary;
8. Increase instructional rounds to monthly visits with A.B. Chandler Elementary, Henderson County High School, Niagara Elementary, and South Middle School;
9. Increase instructional rounds to every nine weeks with Cairo Elementary, East Heights Elementary, and Spottsville Elementary.
