RE: INSPECTION NUMBER 315592188
Notice of intent to contest violations and penalties

Dear Sir:

This office provides legal services to the Board of Education of Spencer County, Kentucky, on an as-needed basis. In that capacity, I was provided a copy of a Citation and Notification of Penalty relating to Inspection Number 315592188, which found two (2) "serious" violations and imposed the maximum penalty under KRS 338.991(2) of seven thousand dollars (\$7,000) for each violation. Consistent with KRS 338.141 and 803 KAR 2:140, the Board of Education desires a hearing to contest both violations and both penalties.

Sincerely,

CHENOWETH LAW OFFICE

Grant R. Chenoweth
