Dear Ms. Lee

Thank you and the Crusade panel members for the decision to grant Henderson County Schools the amount of \$10,000.00 (grant number G2013033). Our district is so appreciative of this amount and pledge to use it for the benefit of special needs students in our school district. However, our original request was for money to purchase (30) 32 GB iPad's,; (30) \$300.00 I-Tune cards and (30) iPad cases. Since the time of our request and due to the introduction of the iPad 3 from Apple, the 32 GB iPad 2 is no longer available for purchase. We are requesting that we use our grant money to purchase the 16GB iPad 2. In addition, we will not be able to purchase 30 units and are requesting the flexibility from the Crusade to purchase approximately 20 units, with the remainder of the money to be used for the purchase of I-Tune cards that would be used for specific applications as deemed necessary by staff members. Our district has agreed to purchase the iPad covers.

Again, we appreciate your generous grant and look forward to using the money to purchase iPad 2's and I-Tune cards. Our staff is excited about the use of this piece of technology and the impact that it will have with our special needs students.

Sincerely,

Lisa Crook, Director of Special Education
