DESCRIBE THE FUND RAISING ACTIVITY:

Floral Design class will create and sell Valentine's day arrangements and treats to students within the school on valentines dat. Students in the floral design class will conduct consumer research regarding Valentine's Day sales within the school and what students are willing to purchase. They will take orders, price and create arrangements, goody bags, holiday decorations and flowers for students and teachers within the school. Students will take orders during 5th period lunch (during floral design class) and make arrangements. This will be a great opportunity for students to operate and run their own floral design business applying all principles of design and employability skills within the school as well as provide a service to fellow students.
