7 RELATES TO: KRS 158.6451, 158.6453, 158.6455, 158.782, 158.805

8 STATUTORY AUTHORITY: KRS 156.029, 156.070, 158.6453, 158.6455

9 NECESSITY, FUNCTION, AND CONFORMITY: This is to repeal 703 KAR 5:120,
10 Assistance for schools; guidelines for scholastic audit. This administrative regulation, which was
11 last revised in 2004 and was designed to implement the Commonwealth Accountability Testing
12 System (CATS), is no longer needed because the mandates in the regulation are no longer
13 consistent with current state and federal accountability requirements. 2009 Senate Bill 1 amended
14 KRS 158.6455 to delete references to CATS, and required revision of the state accountability
15 system using the new assessments mandated by SB 1. This regulation, which requires
16 identification of schools as Level 1, 2, and 3 based on an index score that places the school below
17 the assistance line, and performing either a scholastic audit or scholastic review based upon this
18 identification, implements the CATS accountability system and does not reflect the requirements
19 of Kentucky's Unbridled Learning: College and Career Readiness for All accountability system

1 required by 2009 Senate Bill 1 and reflected in 703 KAR 5:225 and Kentucky's ESEA Flexibility

2 waiver.

3 Section 1. 703 KAR 5:120 is hereby repealed.
