The name of the Grant is the Easton Foundations Grant and it is a grant offered to help promote Archery for youths. I am writing it to help provide an indoor archery range and baseball/softball training building. The building would house restrooms, storage rooms, two coaches offices and a large open area for the archery range and batting cages.

Mr. Brooks,

Can you please give me the name of the grant you're writing? Also, if I could have a little background information to go on the board agenda.. Thanks
