1. No qualified teachers have applied for vacant positions; and to our knowledge, qualified teachers are not available for these positions.
2. Diligent efforts have been made to recruit qualified teachers for the vacant positions; and furthermore, these vacancies have been made known locally by appropriate means.
3. The Jefferson County Public School District has been unsuccessful in recruiting teachers for the vacant positions either from the listing of teachers supplied by the Kentucky Department of Education or by means of the placement services of the teacher education institutions.
4. The teachers will be provided special supervisory services.
