EF's Monthly Payment Plan

Our monthly payment plan makes paying for your tour easy and affordable!

How it works:

- Simply fill out your tour Enrollment Form and select your payment choice: direct debit from your checking account, credit or debit card.
- The total balance for your tour is then divided by the number of months before the final payment is due. This amount is automatically deducted from a checking account or charged to a credit/debit card every month.
- Control costs by choosing the monthly amount based on your initial down payment.
- Enjoy the flexibility of selecting one of four monthly charge dates (7th, 14th, 21st or 26th).
- Extend your final payment deadline up to 25 days prior to departure.
- 24-hour access to your account and payment information through our secure website.
- No late fees.

For example:

It's February and Jordan is going on an EF tour to London and Paris the following July. After paying the Enrollment Fee, the remaining balance is \$2,914. Therefore, Jordan's monthly payment is only \$195.

TOTAL COST ÷ NUMBER OF MONTHS = MONTHLY PAYMENT TO BE DEDUCTED

$$\text{\$2,914} \div 15 = \text{\$195}$$

Please note: A minimum of three automated payments is required.

Please review your group's price quote to find your exact monthly payment.
