Commissioner Tackett,

I have been thinking about this for a while. It brings me sadness to inform you that I need to resign from the board of controls. I am committed to turning my school around at this time and do not have the time to do both. I would like for you all to elect someone else that could represent females as needed. I hope that I will have the opportunity to run again in the future once another term is vacant. Please accept this as my resignation. I am so sorry I am not able to fulfill my responsibilities due to my commitment to turning Seneca around and preparing my students for college and career goals. Please let me know if I need to send in a formal letter. Thank you and board for being patient and understanding with me during this time.

Sincerely,
Michelle L. Dillard, Principal
