Commissioner's Report and Discussion, Work Session on KHSAA Championships

President Boyd Randolph declared the Board in work session for an operational review by the Commissioner. The Commissioner focused on a review of championship data from the past several years to update the members of the Board now that most of the major events affecting the Association budget are complete for 2012-13. This comprehensive review was conducted as the first step toward the 2013-14 budget process. The President then recessed the Board to conduct committee meetings.

Committee Reports

Report from the Team Sports Committee Report

Report and Necessary Action, Commissioner and Board Member Meeting with Schools in Regions 15 and 16 (BA,BK,FP,SO,VB)

The Commissioner and regional Board members met with the schools in the 15th and 16th region in March. It was the overwhelming sentiment of the schools in both regions, that an alternative solution be attempted before forcing a school to change regions simply for numerical balance within the districts. At the conclusion of that meeting, there was discussion of an alternative format for postseason play which would eliminate the district tournaments and have all schools play into a regional tournament. That option found favor with a majority of the school administrators present in lieu of forcing a school to change regions.

Motion Passed: Authorize the Commissioner to meet with Region 15 school representatives and appropriate Board of Control members and look at alternative format for postseason play to remedy geographic and numerical imbalance issues passed with a motion by David Weedman and a second by Henry Webb. Report from the Officials Policy Committee

Consider Regular Season Officiating Fee Adjustments for 2013-2014 (Football/Soccer per schedule)

Annually, the Board discusses specific sports for fee adjustments for the coming year. The two sports on the agenda this year are soccer and football.

- Soccer received an increase of sorts two years ago with the addition of the third official on all games. Therefore, staff recommendation at this time was to make no adjustment to the fee schedule.

- Football, which was last increased five to six years ago, could be raised minimally and have minimal impact on the schools. A \$5 increase per official results in a cost to schools of \$25 per game, or \$125 for a five-game home season. Based on the escalating cost of equipment and supplies, staff recommends an increase of \$5 for the varsity regular season fee, with local policy boards being instructed to not lower the mileage/travel portion of the varsity game fee.

Motion Passed: Approve the recommendation that the regular season varsity game fee in soccer be maintained at the current level (along with the requirement for three officials) and the regular season varsity game fee in football be increased by \$5 passed with a motion by Jerry Keepers and a second by Alan Donhoff. Motion Passed: Based on the data presented, revise the competition rules as follows: Eliminate the minimum number of contests in team sports with the exception of football who must continue to play all district opponents effective 2013-2014. Approve Draft Alignment of Track Teams for Distribution (Full Board action chaired by Individual Sports Chair Stan Steidel)

Track and Field was last aligned for the 2008-2009 school year. This draft of the proposed division of schools is for Board approval so that maps and region lines can be drawn and distributed to the membership. A key decision is how to divide the classes. Thus far, the plan is as follows-

- List the two-year average enrollment of each member school, 2011-2012 and 2012-2013
- Factor out any school that is closing, or any school that has neither Cross Country nor Track

- Alternative 1 places 30% of the schools in Class 1A, 40% in Class 2A and 30% in Class 3A. This division is consistent with the sentiment of the Board of Control in dividing the football classes whereby enrollment disparities make the largest difference in the extreme classes. The Board should discuss whether or not this is truly applicable to Track and Field.
- Alternative 2 places 1/3 in each of the classes. This would be the most disruptive alignment as it would move more schools than other options.
- Alternative 3 places 35% of the schools in Class 1A, 40% in 2A and 25% in 3A. This recognizes that the large schools have an inherent higher probability of having multiple athletes in different events and should compete more among themselves (as in football), but also recognizes that many of the smaller schools do not field a full team and would not necessarily need to have as few schools in Class 1A.

Motion Passed: Following discussion, approve an alternative for dividing into classes, and direct staff to compose regions and distribute to membership for feedback. Adopt option 3 to create a draft passed with a motion by Stan Steidel and a second by David Weedman. John Barnes, Yes, Bill Beasley Yes, Carrell Boyd Yes, Donna Bumps Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff , Yes, Dana Guyer Yes, Jerry Keepers Yes, Gene Norris Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Jeff Saylor Yes, Stan Steidel Yes, Henry Webb Absent, David Weedman Yes.

Consider Cheer Schedule Changes for 2013-2014 (Full Board item chaired by Sport Activities Chair Alan Donhoff)

Staff recommended the event be moved to earlier in the school year to avoid weather problems, scheduling conflicts and conflicts caused by squads who travel out of state and due to attrition, injury or other factors, decide not to compete in state. Further it was proposed that the competition be scheduled on a standard weekend (the weekend following the state football finals) for the next three years to allow squads to have competitive equity in squad preparation. Establishing a standard weekend of state competition will allow for the staff to seek a long-term commitment from a host city and facility and be able to be in a rate-competitive situation with the event. Finally, staff proposed moving the event to the Alltech Arena at the Kentucky Horse Park for the next three years. The use of a standard venue in the central part of the state will allow for growth to be measured and ease potential travel issues when reservations cannot be made until nearer the event due to facility logistics.

Motion Passed: Approve the scheduling of the Competitive Cheer competition to correspond with the weekend after the football finals and to authorize staff to enter into a three-year contract with the Alltech Arena and the Lexington Convention and Visitors Bureau for the event passed with a motion by Alan Donhoff and a second by Stan Steidel. John Barnes, Yes, Bill Beasley Yes, Carrell Boyd Yes, Donna Bumps Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff, Yes, Dana Guyer Yes, Jerry Keepers Yes, Gene Norris Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Jeff Saylor Yes, Stan Steidel Yes, Henry Webb Absent, David Weedman Yes.

Confirmation of President-Elect to Become President for 2013-2014

With the Board transition last year from a Vice-President to a President-Elect, the procedure should be to have a motion and a second to confirm the President-elect as President versus a standard election.

Motion Passed: Confirm President Elect Bill Beasley as President for the 2013-2014 school year passed with a motion by Art Davis and a second by Jerry Keepers. John Barnes, Yes, Bill Beasley Yes, Carrell Boyd Yes, Donna Bumps Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff, Yes,

Dana Guyer Yes, Jerry Keepers Yes, Gene Norris Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Jeff Saylor Yes, Stan Steidel Yes, Henry Webb Absent, David Weedman Yes.

Election of President-Elect to serve for 2013-2014

Nominations were to be taken from the membership of the Board for an individual to serve as President-elect for the 2013-2014 school year. This is done in April per the request of the previous Board officers so that the President-elect can have the opportunity to attend the NFHS Summer Conference and engage in that critical professional development.

Nomination was made by Stan Steidel to elect Carrell Boyd as President-Elect for the 2013-14 school year and was seconded by Art Davis.

Motion Passed: To close nominations and elect Carrell Boyd to serve as President-Elect for the 2013-2014 school year passed by acclamation with a motion by John Barnes and a second by Art Davis. Consider State Basketball Schedule for 2014 (Team Sports Item to be Chaired by Team Sport Chair Dave Weedman)

With the success of the 2013 Boys' State Basketball tournament format, the time had come to evaluate all factors involved including the health aspect and the flexibility of schedule expansion provides.

Motion Passed: That staff be directed to execute amendments for the currently contracted State Basketball tournaments, and schedule the semifinal rounds on Saturday evening and the championship game on Sunday afternoon, with the final tipoff times subject to determination at a later date in order to minimize conflicts passed with a motion by David Weedman and a second by Stan Steidel. John Barnes, Yes, Bill Beasley Yes, Carrell Boyd Yes, Donna Bumps Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff, Yes, Dana Guyer Yes, Jerry Keepers Yes, Gene Norris Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Jeff Saylor Yes, Stan Steidel Yes, Henry Webb Absent, David Weedman Yes.

Consider Volleyball State Time Schedule for 2013

Currently, the volleyball tournament is the primary area of championship play where three complete rounds of play are expected to be played on the same day. There was discussion of expanding the tournament to a third day to ensure that the quarterfinals, semifinals and finals are not played on the same day. There would be little if any impact on team housing. Teams that have been playing on Saturday night (if utilizing housing) have been staying Saturday night, as have most of the teams who play in the semifinals. Spacing out the quarterfinals and finals would also allow for a split session, additional rest for the participants and an improved quality of play for all teams involved.

Motion Passed: Approve the expansion of the bracket to a third day, with the final scheduling decision based on facility negotiations and finals on Sunday afternoon passed with a motion by David Weedman and a second by Stan Steidel. John Barnes, Yes, Bill Beasley Yes, Carrell Boyd Yes, Donna Bumps Yes, Art Davis Yes, Ron Dawn Yes, Alan Donhoff, Yes, Dana Guyer Yes, Jerry Keepers Yes, Gene Norris Yes, Lea Prewitt Yes, Boyd Randolph Yes, Kelley Ransdell Yes, Steve Riley Yes, Jeff Saylor Yes, Stan Steidel Yes, Henry Webb Absent, David Weedman Yes.

Review Format for Hall of Fame Banquet
