

To Whom it may concern:

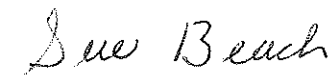

May 3, 2013

With regret I am offering my resignation as teacher assistant for the Gallatin County Middle School, effective May 31, 2013 for health reasons.

I feel the positions I have served in the school system have given me the opportunity to grow and develop as a better person. I have gained insight into understanding the "Exceptional Student," and my newly acquired communication and interaction skills will stay with me for a lifetime.

Thank you for the opportunity to have served to make a difference in their lives.

Sincerely,

A handwritten signature in cursive script that reads "Sue Beach".
