The Board may communicate to Contractor and Contractor may have access to certain information that is confidential under federal and/or state law including without limitation personally identifiable student information. Contractor agrees to treat all such information as confidential, whether or not so identified, and shall not disclose any part of that information without prior written consent of the Board. Contractor shall limit the use and circulation of such information to only those persons or entities necessary to perform the Services under this Contract. This confidentiality obligation shall not apply to any part of the information that (1) has been disclosed in publicly available sources of information; (2) is not in the possession of Contractor without any specific obligation of confidentiality; (3) has been or is hereafter rightfully disclosed to Contractor by a third party, but only to the extent that the use or disclosure thereof has been or is rightfully authorized by that third party; or (4) is presented in a format that does not personally identify a student.
