Ref: School Zone Change Request

I am requesting a school zone change, for the upcoming school year from North Todd Elementary School to South Todd Elementary School my daughter will be entering Kindergarten.

Our address is 1250 West Jefferson Davis Hwy, just outside city limits. My daughter Sarah Kaminski is looking forward to attending South Todd her aunt Heather Kaminski taught at South Todd for the past 6 years, she knows several of the teachers and has spent time eating lunches with her aunt and knows a lot of children she would be very comfortable at South Todd Elementary, I have talked with school officials at both schools and neither have a problem with the change as long as the School Boards approves the change, I, Ryon Kaminski Sarah's Father can be reached at 1-270-305-3636 for any questions concerning this manner. I, understand that I will be responsible for transportation to and from school. Thank You, Ryon Kaminski
