

# Proposal to Improve Physical Space

Proposal Submitted By: TNHS - GENERAL FORCE FOOTBALL BOOSTERS

Location of Physical Space Improvement: FOOTBALL CONCESSION STAND

Anticipated cost to the School or District: 0 (If above \$0.00 please include itemized list of costs)

Date for improvement work to start: AS SOON AS APPROVED BY BOARD Anticipated End Date: ONE DAY PROJECT

Rationale for Improvement:

CURRENTLY, THE FOOTBALL CONCESSION AREA IS WITHOUT ANY TYPE OF STORAGE, COUNTERSPACE AND FOOD PREP AREA. THE SPACE IS PRIMARILY AN OPEN SHELL AND ISN'T CONDUCTIVE FOR STORING SUPPLIES, PREPARING AND DISPLAYING FOOD ITEMS FOR THE UPCOMING FOOTBALL SEASON.

Description of Intended Improvement:

THERE ARE 2 AREAS IN THE CONCESSIONS THAT WILL BE AFFECTED UPON APPROVAL. THE FIRST IS IMMEDIATELY TO YOUR RIGHT WHEN ENTERING THE AREA. THE SECOND IS DIRECTLY IN THE CENTER OF THE AREA. BOTH ARE CONCRETE WALLS. WE ARE PROPOSING TO INSTALL KITCHEN CABINETS ALONG BOTH WALLS. THIS ALLOWS FOR STORAGE AND DISPLAY SPACE AS WELL AS FOOD PREP SPACE.

THERE WILL BE NO ELECTRICAL WORK INVOLVED AND NO OTHER

ALTERATIONS TO THE SPACE.  
Please attach supporting documents (drawings, images, invoices, etc) THIS ALSO INCLUDES 2 SHELVES FOR MICROWAVE USE.

Insurance provided by: N/A - WORK COMPLETED BY BOOSTER CLUB

THIS AREA IS INSPECTED BY THE HEALTH DEPT. THEREFORE NEEDS APPROPRIATE FOOD PREP SPACE.
