Date: July 8, 2013

To: Dr. Dot Perkins and the entire Gallatin  
County School Board.

Dr. Perkins told me I wasn't allowed to return to  
work until I got permission from my Physician.  
I have a 20# weight restriction that will not go  
away due to some health issues.

I was hoping to stay employed for a few more  
years as driver and possibly in management. I  
was a Fleet Manager/Safety for 17 ½ yrs. at a  
major trucking company. I hope I have been of  
some help to Mr. Hale and Mr. Arnold Baker.

I have enjoyed being employed with the school  
system and I gave you what I had. Attached is  
my regretful resignation.
