Mr. Benningfield:

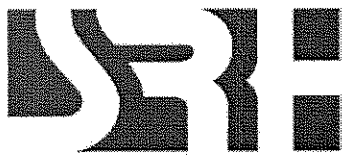

It is the intention of the TCCHS football booster club to complete the necessary paperwork for our organization to carry out business external from the TCCHS accounting department. We will keep you apprised of our progress.

Thank You,

Shannon Cole

To Whom it May Concern:

This letter is to confirm that the Todd County Band Boosters have contacted our firm to assist with preparation of the documents required to become a 501(c)(3) tax-exempt entity in order to conform with the revisions of the Kentucky Red Book. An official determination letter from the Internal Revenue Service will be obtained through this process, which historically has taken other 501(c)(3) entities several months to receive. Should you need additional information, please contact Jennifer Thayer at (931) 648-4786.

Sincerely,

Stone Rudolph & Henry, PLC
