The following is a status report regarding the required 2012 - 2013 Title IX Annual Report submission of forms due into the KHSAA office by April 30, 2013. Appropriate KHSAA Audit Team personnel have reviewed these forms and the following is a summary of this review.

Status	Test 1	Test 2	Test 3	Recommendations and Comments
X			X	According to the data and reports submitted, it appears that Gallatin County High School is meeting the standard of Test 3 for the provision of athletic opportunities. The procedure for determining feasibility and genuine interest has been followed. In the area of benefits, total athletic spending is slightly outside the acceptable parameters both on a percentage and per athlete basis. This should continue to be monitored by school administration and the Gender Equity Committee. Thank you for the reports submitted.
