

To: Gallatin County School Board

CC: Dot Perkins, Mark Hale

Due to the required implementation of 704 KAR 7:160 in Gallatin County Schools, the "unknown" liabilities and potential for lawsuits not only for Gallatin County Schools and/or its employees responsible for implementation of the administrative regulation that through presentation had more than its share of "unknowns", I resign my position as bus monitor effective 12:01 A.M., August 8, 2013.
