- Thomas Jefferson Middle School

JCPS Priority Schools

- Close the Opportunity Gap for Students in these Schools
- Analyze and evaluate the programs so that we can determine the most effective ways to extend learning for our students in all our schools.
- Responded to Dr. Hargen's Charge
- Collaboration between School Leadership, Asst. Superintendents, Transportation and Operations, as well as KDE
- Submitted a Plan tailored for each school

Goal and Process for Extended Learning Plan

Overview of all the plans:

While all the **Extended Learning Plans** are unique, there are some Common Characteristics the Describe ALL or Most:

- 90-120 minutes
- Interventions in key focus areas: Mostly Reading, Writing, and Math Standards
- College and Career Readiness Measures
- Assessment DATA to identify target students
- Teacher talent and classified staff support
- Transportation and Nutritional Services
- connect students with greatest needs with effective teachers
- Many add a study skills component
- Blend Technology and Face to Face Learning

- As many as 33 Weeks
- 5130 Students at any one time
- 217 Teachers
- 100 Classified Staff
- Total Budget: \$3,072,801
- Remainder: 1,927,199

All Focused on Improving
Achievement and Meeting
the Needs of Students at
our Priority Schools

Extended Learning will add
as many as...

198 Extra Hours of Learning
for individual students in
Priority Schools so they
can **be closer to**

**GRADUATING
PREPARED**

By the Numbers:

EXTENDED LEARNING AT THEIR SCHOOL

- Faith Stroud
(Knight Middle School)
