Dear Superintendent Perkins & Gallatin County Board Members:

This letter of proposal is for asking local businesses for donations to help support the After Prom in April of 2014. Without the help of these businesses this yearly event would not be possible. We want to continue to keep our students safe and free from accidents by hosting the After-Prom. With your approval and help from local businesses we can do this.

Thank you very much for considering this proposal to support the After-Prom.

Sincerely,

Regina Danaher-Smith, YSC Coordinator
